#### Speaker's Information

- Name: Chih-hsing HO
- Nationality: Taiwan
- Affiliation: Academia Sinica
- Position: Assistant Professor/ Assistant Research Fellow
- Phone: 886.2.3789.7298
- Email: chihho@sinica.edu.tw
- Biography :

**Dr. Chih-hsing Ho** is Assistant Professor/ Assistant Research Fellow at the Academia Sinica, Taiwan. She holds a Ph.D. in law from the London School of Economics (LSE) where she was an Olive Stone Scholar. She obtained her first law degree from Taiwan, and later received her LLM from Columbia Law School and a JSM from Stanford University. Her research focuses on issues of privacy, data protection and the nexus of law and medicine in general, with particular attention to the governance of newly emerging information technologies and biotechnologies, such as big data and biobanks. She is currently a co-principal Investigator for a health cloud project in Taiwan, and is responsible for designing an adequate regulatory framework for the secondary use of personal data and health-related data linkage. Before moving back to Taipei in 2014, she had been working at the Centre for Medical Ethics and Law (CMEL) at the University of Hong Kong.
