Speaker's Information

- Name: Guo Zhaozhengatsun
- Nationality: USA
- Affiliation: BGI-Shenzhen
- Position: Executive Director of BGI Bioethics Research Center
- Phone: +86 755 3630 7890
- Email: guozhaozheng@genomics.cn
- Biography :

Dr. Guo Zhaozheng has committed to the popularization of bioethics in the field of genomics research and application in China over a long period of time, adding up to more than 20,000 students, covering students from middle school to university, researchers, clinicians and other groups. Especially, in the field of genetic counseling, the "Introduction to Bioethics" has become an important part of the Talent Exchange training program organized by National Health and Family Planning Commission of PRC. His Massive Open Online Course "Bioethics Case Discussion" is the compulsory course for staff of China National GeneBank and BGI. Dr. Guo started from strengthening the construction of the Institutional Review Board on Bioethics and Biosafety of BGI, has helped and guided several hospitals and regions in China to establish an ethical review committee, promoting local research development and connecting to the international standards. In cooperation with famous universities in China, Dr. Guo has led the China National GeneBank and BGI team to initiate the establishment of ethical consensus of biobanking, standardize the construction of biobank in China.
